HI EVERYONE. MY NAME IS MICK THE SKIP!

You may have seen me at Cambridge or Peterborough United, or helping out at lots of different events across the East Anglia and East Midlands regions - I'm quite a busy guy! Along with this, I am busy running my company, Mick George Ltd during the week, so I have very little time to take breaks. However, when I do, I love to colour in and keep my brain active with quizzes and activities, all testing my knowledge on road safety and recycling - two very important issues that the team and I at Mick George Ltd are very passionate about! So, I've combined all of my favourite activities in this little booklet to share with you to keep your brain active too. Have Fun!
